

Year 2 Maths Target Map

I can choose and use the correct unit to estimate and measure length or height (m/cm); weight (kg/g); temperature (°C); or capacity (litres/ml) using the correct equipment.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can compare and order length, weight and capacity and then record the results using symbols for greater than, less than and equals.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I know and use the symbols for pounds (£) and pence (p) and can add together different amounts of money, such as 187p and £2.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can find different combinations of coins that equal the same amounts of money.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can solve money problems (e.g. "How much change do I get from 50p if I buy a cake for 29p?").

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can put the length of different intervals of time in order.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

Measure

I can tell and write the time to five minutes, including quarter past and quarter to the hour and draw the hands on a clock face to show these times.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I know there are 60 minutes in an hour and 24 hours in a day.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

Operations

I answer addition and subtraction maths problems using pictures and objects to help me work it out.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can solve addition and subtraction problems and explain how I answer it on paper or show you how I did it in my head by explaining step by step.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I answer problems with addition and subtraction using my number facts to 20 and other number facts up to 100.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can add and subtract two-digit numbers and multiples of 10 using objects or pictures to help me.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can add and subtract two-digit numbers using objects or pictures to help me.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can add and subtract numbers mentally.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can add or subtract three numbers (e.g. 2+5+9).

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I know that adding two numbers together can be done in any order but subtracting numbers cannot.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can do an inverse check to check my answers or solve missing number problems.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I know my 2 and 5 and 10 times tables by heart and can tell whether a number is odd or even.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I use multiplication (x), division (÷) and equals (=) signs when writing out my times tables.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I know that multiplying two numbers can be done in any order, but that dividing numbers cannot.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can solve multiplication and division problems using times table facts and objects or pictures to help me.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

Number & Place Value

I can count up and down in steps of 2, 3, and 5 from 0, and make jumps in tens from any number.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I know what each digit means in Tens and Unit numbers such as 36.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I use the greater than, less than and equals signs in maths and know what they mean.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can find and show numbers on a number line.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can order numbers up to 100 and tell you which numbers are bigger or smaller.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can read and write numbers to 100 in digits and words.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I solve problems using number facts and what I know about the value of digits in a number.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

Geometry

I can describe the properties of some 2-D shapes, including the number of sides they have and facts about their lines of symmetry.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can describe the properties of some 3-D shapes, including the number of edges, faces and vertices they have.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can tell you which 2-D shapes appear as the faces on 3-D shapes, such as triangles on a pyramid.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can compare 2-D and 3-D shapes with everyday objects around me.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can order combinations of objects in patterns and sequences.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can describe my position, direction and movement, including describing turns as quarter, half and three-quarter turns in clockwise and anti-clockwise directions.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can find $\frac{1}{4}$ or $\frac{1}{3}$ or $\frac{2}{4}$ or $\frac{3}{4}$ of a shape, length or number of objects.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can write simple fractions sentences (e.g. $\frac{1}{2}$ of 6 = 3) and know that $\frac{2}{4}$ equals $\frac{1}{2}$.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

Fractions

I can read and construct pictograms, tally charts and tables.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can sort objects into categories and tell you how many objects are in each category and show which category has the most.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

I can sort objects and can answer questions about the groups of objects I have sorted.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>
